

Concerto Document Holder

A natural accessory to the Concerto line, the document holder is designed to minimize eye and neck movement by placing documents in an ergonomically correct viewing position.

Features

- Stable, linear design
- Finger Adjustable
- Mounts between monitor and Concerto monitor mounting plate
- Supports various document widths
- Swing motion
- Black or silver powder paint finishes available

Benefits

- Ergonomically correct viewing position of documents for computer users
- Easy adjustment to ensure a comfortable viewing angle
- Fits both VESA 75mm and 100mm flat panels
- Helps keep work surface clear
- Stores out of the way when not in use
- Match your aesthetic look
