

Momentum Arm

Extended Length

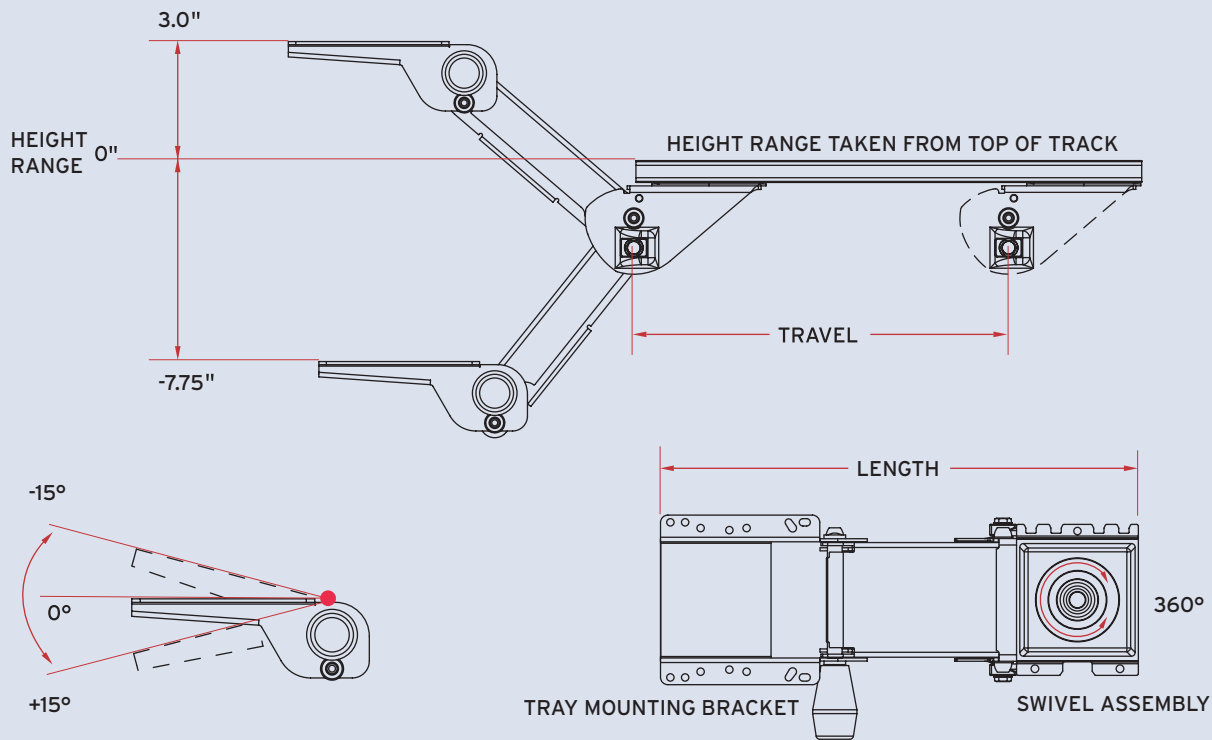

The extended length Momentum arm is ideal for corner-mount locations. It provides a solid platform with fast position-changing capability, and works well on stations used by more than one person.

Features

- Low profile design
- Patented spring-assisted Lift-n-Lock™ counter balancing system (no knobs or levers)
- Soft-touch knob for tilt adjustment
- 7 1/2" extended neck
- Dual swivel option
- 360° swivel
- Available with either glide or low-profile ball bearing storage tracks
- Positive tilt lockout option

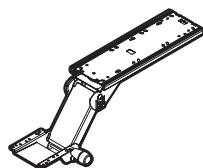

Benefits

- Provides maximum leg room
- Easy to make precise height adjustments for maximum comfort
- Easy to make precise tilt adjustments for maximum comfort
- Added neck length is ideal for corner locations
- Allows keyboard tray to be parallel to the desk even when corner-mounted
- User can move keyboard freely from side to side
- Fully retractable when not in use; choose the one that fits your budget
- Promotes healthier negative tilt of keyboard; reduces risk of repetitive stress injury

Momentum Arm

Extended Length

Also available in standard and sit/stand lengths.
Finish: Black wrinkle paint
